“ *One memory I will cherish of aunt Shirley is she loved deer. She enjoyed going on drives looking for deer, sitting on her porch watching deer. Every Christmas she sat out tons of deer with Santa. The other thing we often talk of when speaking of Shirley is how she kept her yard up. She enjoyed mowing and trim work. She loved flowers especially roses and lilacs. She will be missed but knowing her battle with dementia is over and she is at peace gives me comfort.* ”
