“ I grew up in Roanoke with Steve on Pelham Drive. Spent a lot of time riding mopeds and camping on top of Sugarloaf Mountain. He was a true friend of mine. Just found out that he had passed. Wish I would have known to come to the service.

“ Steve was a good neighbor and a great friend who was easy to get to know. He was always there for anyone who needed help or anyone who just needed a friend to talk to. He like most of us didn't like drama and was so easy to get to know. I know we all have a time coming to depart this life and yet it still seems to soon in coming. He will never be forgotten for the person he was and his dedication to Teri. May peace and comfort come to those left behind.
