“ Steve was one of the first friends I made when I moved to New Castle,he probably didn't even have his license that long We rode many back roads and trails,if there was a creek we were going through it didn't matter what he was driving we where going through the creek,we would get stuck and have to wait till it wasn't flooded anymore but nobody cared cause he kept us all laughing, he'd come and get me or I go hang out at Boomers with him,He was a good man and I'll always remember his laugh,he was a lot of fun and an amazing banjo player, he'd run the muck with you if there was any muck running to be done.My deepest sympathy to his wife Donna and family

“ I attended New Castle High School with Steve, but we weren't in the same class, so I didn't know him all that well back then. However, our paths crossed just a few years ago. My Mom had passed March 2020 & in June 2020 a tree fell through my house & took down my power pole. I was already not in a good place & didn't know who I could get to help me. Not to mention it had been raining nonstop with 2 feet of mud everywhere!! An employee of Craig Botetourt recommended I call Steve. I live on the opposite end of the county so I figured he wouldn't come out to help especially in that kind of weather. When I called, Steve was so nice & personable & said he would help. In no time @ all he rolled up in the pouring rain in his old truck with a big smile on his face. He probably never knew the relief I felt!! He fixed all of my power issues in no time flat & did an absolute awesome job. His work ethic was clear to see in his perfect workmanship. I called him later to thank him & I will never forget what he said to me. He said when he saw the emotional "shape" I was in that he HAD to help!! I said, but Steve you are battling cancer!! He immediately said that didn't matter!! I was brought to tears that day. I will NEVER forget his unconditional goodness toward me. My prayers are with his family at this time. Craig County has lost one of the "good" guys!!

“ *To Steve's Family He was such a good person always full of fun and
concern for others. He was a great banjo picker and loved playing,
He and Jesse can be together again and play music with all of the
