November 20, 1955 - October 21, 2020

In Loving Memory of

Susan "Susie" Craft  
1955-2020

Susan "Susie" Craft, 64, went to be with the Lord on Wednesday, October 21, 2020 in New Castle, VA. She was born on Nov. 20, 1955 in Roanoke, VA. She was preceded in death by her loving husband, Frank Wayne Craft and her parents, Roy & Betty Brookman.

Survivors include two daughters, Marcy Moore (Woody) of Blacksburg and Rogenia Wright (Jesse) of New Castle; brother, Terry and his wife Cindy of Catawba; grandson and his girlfriend, Jeffery Hannah & Makayla Broughman of New Castle; granddaughter, Kirstin Hannah of Wise, VA; grandson, Michael Hannah of Salem; adopted grandchildren; her faithful fur babies, Moonshine, Camo, Faith, & Sampson: numerous nieces & nephews.

Susie was a beautiful soul. She enjoyed spending time with the family and spreading laughter and smiles with everyone. She was Michael Bolton's biggest fan; she would listen to all of his songs while working on her diamond paintings. She loved everything bright and magical. She loved butterflies and fairies and Christmas.

If Susie was to say anything right now, she would probably say "Do not cry because I am gone, celebrate my life and hold on to all the memories. Susie is out there shining down smiling at everything she has created or done on earth. She will never be forgotten. Fly high beautiful angel until next time when we see you at the Heavenly Gates.

I love you.

A Memorial Service will be held at a later date.

“ Susie and Terry along with their dad and mom was always in our family. We attended church together First Baptist Church. There was always either a Brookman or Kendall at each others home. We had many dinners after church. Susie was a sweet person and had the love of God in her ❤️ heart. We both married and went our separate ways but I will always have our memories of her forever in my ❤️ heart. RIP and now you can see your Daddy and mama again. Prayers to all the family espically Terry (Cindy) and daughters and grandchildren. Love you. SUSIE.
