“ Rarely in life does one person touch so many lives in such a wonderful, memorable way. Walton was that "one person". I recall the many stories my dad, David, tells of the support and kindness Walton showed him as a student & athlete of New Castle High School. Walton realized the challenges a poor boy from Paint Bank faced and encouraged him to pursue sports and an education.

Here's to remembering a man who touched so many lives.

“ Dearest Evelyn, Vicky, and LeAnn,

I am so sorry to hear of Mr. Mitchell's passing. To this day, among all the people I've ever met, I hold his memory in highest regard. Walton was to me a leader, a mentor, and above all, an honorable man.

When I think of you all, I treasure the memories of our friendship. When I remember our years living in New Castle, I think of you all and it brings a smile to my heart.

My husband Jeff departed on 14 October 2010, so our family both knows and understands the grief you must feel. Our prayers and hearts are with you all in deep sympathy and love.

*Blessings,

P.S. So now it's "Dr". Vicky Mitchell? Congratulations, my dear friend!

“ It has been a great pleasure and honor knowing and spending time with Mr. Walton Mitchell. He was a huge part of my life growing up. There are not enough words to express what he has meant to me. I spent many days with the Mitchell family growing up. I went to many Tech games and watched many games on TV with him and Lee Anne. I remember many stories he told us through the years. He also taught me a lot about playing basketball and softball, having good sportsmanship and what dedication really meant. I can remember him and Evelyn at all of our ballgames cheering us on. Walt has been a huge part of our community and our school system. His presence will be greatly missed.

He has been such an inspiration in my life. I will always cherish my memories of him.

My thoughts and prayers go out to the family. I love you all.

Love always and forever. Walt, you will never be forgotten!

“ "Do NOT walk on the gum floor in street shoes!" How many times we all heard that while attending NCHS in the late 50s and early 60s. I never see that building that I don't hear those words. Sorry to hear he has left us.

“ Mitch, my deepest sympathies to you and your family. I am not sure I know of any one individual who touched so many lives in and out of our community. Your dad was the most respected teacher, coach, mentor and friend to so many people. Walton and Patsy were my first real bosses when they gave me the honor and responsibility of sitting with "Doc" after school and on weekends. Having their trust meant a lot. So many people's lives are different in some way because of your dad and his love of his students and the community. Know that he will always be remembered by those of us blessed enough to have known him and were touched by his life.
