“ *Diane and Eddie  
Wanda was always very interesting. I especially enjoyed going to New Castle and seeing how much of herself she put into the hotel renovation festivities and the fair they would have to raise money. I remember your Dad taking me for a ride up on top of the mountain see the great views from the hills around New Castle. Blessings to each of you. Glenn*

“ I am truly sorry for your loss. Mrs. Wanda Lee was a "great" woman. She was a role model in my life. I remember her mostly in McClearly Elementary school, growing up always seeing her throughout the day. The greatest thing I remember about her was her beautiful smile and always kind to everyone. She will be greatly missed.
