“ We are very saddened to hear of Mr. Paxton's passing. He was a wonderful neighbor and we will miss him dearly. We loved listening to his stories of his hunting and fishing trips as he would come outside and talk with us if we were out in the yard. Anytime we would have a cookout or family gathering, our kids would always make sure that we would take Mr. Paxton a plate of food. We even did a birthday cake for him this year. Our kids loved visiting with him. Please know that if there is anything that we can do, we are just next door, please don't hesitate to ask. Our thoughts and prayers are with you all during this very difficult time.
